

CAREER OPPORTUNITY

MRSB Chartered Professional Accountants and MRSB Consulting Services are looking for an energetic, driven and bright individual to join our team as a **Financial Consultant and Analyst**. The position would be a shared resource between the two firms.

Key Duties and Responsibilities

MRSB Chartered Professional Accountants regularly conduct business valuations to determine the economic value of a business. As a financial analyst you will assist our Chartered Business Valuator (CBV) in preparing valuation packages. This will include work on a variety of assignments including gathering pertinent data, designing and working with financial models for discounted cash flow, market and transaction approach analysis, and assisting in the preparation and presentation of the analysis in a clear concise matter.

MRSB Consulting Services provides services to public and private sector entities, with a focus on strategic initiatives, business plans and financing strategies. Many of our engagements include the preparation of financial projections with accounting policies, detailed assumptions, and a review and sign off from MRSB Chartered Professional Accountants. These financial projections are prepared to assist clients in obtaining funding and financing for their business initiatives or to support refinancing proposals.
